

# THE WORLD AROUND US - Unit 6

---

*Marin Biljan, 15, OŠ Miroslava Krleže, Ul. Kralja Zvonimira 100, Čepin 31431*

---

## THE INVENTION OF OUR TIME

---

*My favourite social network is definitely Instagram. Instagram was invented by Kevin Systrom and Mike Krieger in 2010. These days almost everyone uses Instagram. It is used for sharing photos or videos and for many it is very important application. In 2012 Facebook bought Instagram for one billion American dollars. I personally use Instagram just for fun. All my friends use it too and because of Instagram we are all connected, we can send messages, photos or videos to each other. If you don't use Instagram your life is different because you have much more free time. Instagram, like all social networks, takes us more free time than it should, but we do not notice that because it is super fun. I think using Instagram is excellent if it doesn't take much of your time and if you are still focused on more important things*

---

## THE MOST IMPORTANT DISCOVERY

---

*The most important discovery of 20th century is a automobile and here is why:*

---

## PASSIVE VOICE

# PASSIVE VOICE

---

*In an active sentence we say what do subject does.*

*For example : I drank two cups of coffee*

*I - subject*

*drank - verb*

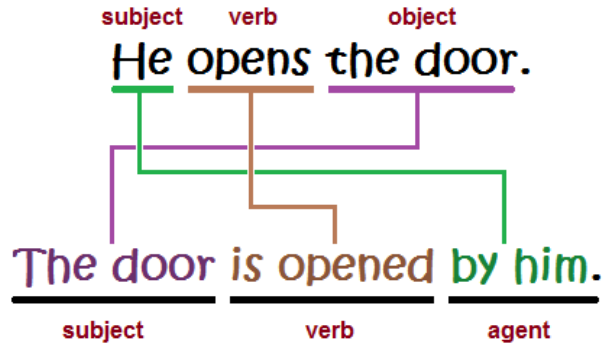

*two cups of coffee - object*

*We already knew that, right?*

*But, what if we don't want to make sentence this way. We can also put the subject first or we might don't want to say who did something. In that case we use a passive.*

---

## HOW TO MAKE THE PASSIVE

---

*We make passive by putting the verb "to be" into whatever tense we need and adding the past participle.*

*In regular verbs we add "ed" to infinitive.*

*Here are some of my examples:*

### ACTIVE

*She opens the present*

*I am playing football*

### PASSIVE

*The present is opened*

*A football is being played*

*...and here are some of the examples I have found on the internet:*

---

TENSE	ACTIVE	PASSIVE
Present Simple	I <b>make</b> a cake	A cake <b>is</b> made
Present Contin.	I'm <b>making</b> a cake	A cake <b>is being</b> made.
Past Simple	I <b>made</b> a cake.	A cake <b>was</b> made.
Past Continuous	I <b>was making</b> a cake.	A cake <b>was being</b> made.
Present Perfect	I <b>have made</b> a cake	A cake <b>has been</b> made.
Past Perfect	I <b>had made</b> a cake.	A cake <b>had been</b> made.
Future Simple	I <b>will</b> make a cake.	A cake <b>will be</b> made.
Future be going to	I'm <b>going to</b> make a cake.	A cake <b>is going to be</b> made.
Modal	I <b>must</b> make a cake.	A cake <b>must be</b> made.
Modal Perfect	I <b>should have</b> made a cake.	A cake <b>should have been</b> made.

## WHY WOULD WE USE THE PASSIVE?

---

*There are a lots of reasons why would we use the Passive instead of Active*

### **1. When we want to change the focus of the sentence**

---

- The house was build by my grandfather. *(we are more interested in the house than the builder in this sentence)*
- 

### **2. When object is unknown or obvious**

---

- He was arrested. *(object is obvious, by police)*
- 

### **3. When the subject is very long**

*These are just the main reasons why should we use the Passive Voice.*

---

*I will definitely use these words in future and I'm verry happy because I expanded my vocabulary a little more*

---

## FOOD AND IMPORTANCE OF HEALTHY MEALS - JAMIE OLIVER

*Jamie Oliver is a British chef and restarateur. He is very special and talented person and I will show you why is that.*

---

---

*Jamie isn't just a British superstar chef, he's also trying to make and serve healthy home - made food in British schools instead of burgers, chips and pizza. In 2005 he opened campaign, **Feed Me Better**, to make bigger school food budget. The money has been used to improve school meals and rebuild kitchens. Jamie is also have his own TV series called **Jamie's Kitchen** where he attempts to train a group of 15 disadvantaged youth, who will, if they complete the course, be offered jobs at Jamie's new restaurant **Fifteen**.*

---

**It would be great if Croatia applies some of these projects because it will definitely reduce the growing problem of obesity among teenagers.**

**Jamie maybe isn't a hero we deserve, but he is a hero we need.**
