

UNIT 5 - PROJECT WORK

Dear 6th graders!

This is a task which summarizes all the work done in Unit 5 and you will get a mark for it. There are two projects for you to choose from. Read the instructions for both projects and decide which one you want to do. Follow the steps. Do your project - do your best - be creative and unique!

Save your project work - if the school starts, I would like to see the originals!

Your teacher Tanja☺

Dragi šestaši!

Pred vama je zadatak kojim ćete pokazati koliko ste naučili u petoj cjelini. Iz ovog zadatka ćete dobiti ocjenu. Možete birati između dvije teme - dva projektna rada. Pročitajte upute za oba i odlučite koji projekt želite raditi. Slijedite korake. Izvršite svoj projektni zadatak - dajte sve od sebe - budite kreativni i jedinstveni.

Sačuvajte svoj rad - ako nastava počne, voljela bih vidjeti originale!

Vaša teacherica☺

Trapped together

1. We have all been 'trapped' in our houses for the past month – so you don't have to imagine a lot...
2. Write about one week of the past month– you can write about real events or you can imagine things
3. You can start today and keep a diary for seven days – but be careful! You have to use **PAST SIMPLE** in your story!
4. Write about:
 - when did it happen
 - what did you do
 - how did you feel
 - what did you watch/read/play/hear/see
 - what did you learn/practise
 - what did you cook/draw
5. You can do it as **One week diary** or **Photo a day challenge** (you take one photo every day and write about it)
6. Read what you wrote, check spelling, correct mistakes. Be sure to use **PAST SIMPLE**.
7. Copy it onto a piece of paper, add photos or pictures. You have to use handwriting – no computer this time! You can print photos and pictures or you can draw them yourself. Illustrate or decorate your project with pictures of things/objects/symbols that are connected to your story. Be creative, have fun with your family, enjoy! Here are some ideas to get you going...Of course, your own ideas are more than welcome.

8. Take a photo (or photos) of your project and send it via Teams or e-mail (tanja.pokupic@skole.hr) by **May 8, 2020**.

(SAŽETAK: ZAROBLJENI ZAJEDNO - Opiši jedan tjedan u proteklih mjesec dana. Možeš pisati o stvarnim ili izmišljenim događajima. Koristi PAST SIMPLE. Možeš pisati u obliku dnevnika ili foto dnevnika – što si radio, čitao, kuhao, igrao...Piši svojim najurednijim rukopisom (naravno, na engleskom) i ukrasi/ilustriraj. Pošalji fotografiju svog rada do 8. svibnja 2020.)

A famous person from the **past** (no longer alive)

1. Decide who you want to write about.
2. Find some information about this person (book or the Internet). Choose the information that you find really important and you understand.
3. Write: - who he/she was
 - what his/her job was
 - where he/she lived
 - what he/she did
 - anything else you find interesting (quotes, fun facts)
 - why you like this person
4. Read what you wrote, check spelling, correct mistakes. Be sure to use **PAST SIMPLE**.
5. Copy it onto a piece of paper, add photos or pictures. You have to use handwriting – no computer this time! You can print photos and pictures or you can draw them yourself. While working on this project, think about this person and what you found out about him/her. Illustrate or decorate your project with pictures of things/objects/symbols that are connected to this person. Be creative. Investigate, have fun, enjoy! Here are some ideas to get you going...Of course, your own ideas are more than welcome.
